The Themes of Social Role Valorisation

Theme 3

EXPECTANCY

The Themes of Social Role Valorisation refer to the underlying causes of both positive and negative perceptions of people and situations.

In your group, define what is meant by 'Expectancy'.

List some ways in which what we 'expect' of someone can impact on their development and the expectations by society. Give some examples if you can.

Feed this information back to the group to help them to understand this 'theme'.
