The Themes of Social Role Valorisation

Theme 5

EFFECTIVENESS OF SERVICES AND OTHER INTERVENTIONS

The Themes of Social Role Valorisation refer to the underlying causes of both positive and negative perceptions of people and situations.

In your group, define what you think is meant by 'Effectiveness of services and other interventions'.

List some ways in which 'effectiveness of services and other interventions' would assist service users to increase their value. Give some examples of what services can do, if you can.

Feed this information back to the group to help them to understand this 'theme'.
