The Themes of Social Role Valorisation

Theme 8

INTEGRATION AND PARTICIPATION

The Themes of Social Role Valorisation refer to the underlying causes of both positive and negative perceptions of people and situations.

In your group, define what you think is meant by 'integration and participation'.

List some reasons how 'integration and participation' can assist people to be valued citizens. Give some examples, if you can.

Feed this information back to the group to help them to understand this 'theme'.
